Vice Principal

Happy New Year Lockport Lancers. The school will reopen on Monday, January 8th, it will be school day 1.

We are hoping everyone had a restful winter break after a very busy month of TAG lunches, Spirit Week, overnight band camp, art field trips, basketball tryouts/practices, and track team practices during December at Lockport School.

We must take a moment to give thanks to everyone in our school and community that donated to all of our initiatives this holiday season. Boxes of pet donations to The ARK Project were overflowing after Ellena's 14 Days of Giving. Mrs. Henaire sent a thank you from LSEC and mentioned that due to such an outpouring and variety of donations, many students were able to give a gift to a friend or family member and wrap it themselves. Our Leadership Team's initiative of Be a Santa to a Senior was a success and is to be highlighted. This 100% student-led philanthropy effort donated not only items, and handmade cards, and a \$550 cheque (\$450 from funds raised by a bake sale supported by students, parents, staff, and \$100 collected during an ever-popular hat day).

The Yearbook Three6Tea and Kernels Popcorn fundraisers were very effective. Mrs. Krawchuk reports that every dollar raised helps to reduce the price of the yearbook for all our students.

The Lockport School gym will spend the coming weeks hosting our track and basketball teams in the mornings and after school. The gym is open to all students every morning at 8:30 and during the noon break. We encourage all students to involve themselves in the various extra-curricular activities that happen at Lockport School.

Our Band Concert will take place on Wednesday, January 31st at 7:00 p.m.

A reminder, the new year also brings the process of transitioning our grade 9 students to the Lord Selkirk Regional Comprehensive Secondary School. There will be a tour of the Comp on February 1st with an Open House for families on that same date, at 4:00 pm to 5:30 pm.

Our next round of report cards and student learning conferences happen in March, so please take the time to phone, email, or use the portal to keep up with your child's progress.
