## PRINCIPAL'S MESSAGE H. Freiter D. Marshall

And we're back. The summer has become a blur and we have settled into a new school year of learning, friendships and fun. Students continue to meet in their TAG (Teacher Advisor Group) every morning for the first 7 minutes of the day and again at lunch to eat. Throughout the year, students will participate with their TAG communities in fun challenges for free pizza and in Lockport School activities such as our Terry Fox Day run and fall classic on September 22<sup>nd</sup>. This year we raised over \$500 in cash and online donations, for cancer research. A big thank you to the leadership committee for the planning, and the staff for the implementation. Everyone was engaged and had a great time.

A Lancer high five to Olari, Emma, Ava and Mrs. Forfar for harvesting over 60lbs of vegetables from their Planting Hope Garden. The garden was planted from seed and tended to by students and staff throughout the entire summer. The veggies were donated to Selkirk Food Bank to help provide good quality food to our community members who need it.

Lockport cross country and volleyball teams are in full swing with a lot of great participation from the students. The cross country team has already attended their first track meet at Grand Beach and our gym was bursting with enthusiasm this past weekend as we hosted the grade 8 boys volleyball tournament.

New to Lockport School this year is the addition of a Choir. We thank Mrs. Bloodworth from the high school for teaching our students in the band room on Fridays during the noon break. There is still time to join and bring a friend.

Breakfast Club is up and running every day for any student that missed a meal or had an early morning practice. As well, our canteen is up and running every day at the start of the noon break. This year we will be serving Frank's pepperoni and cheese pizza slices every Wednesday at lunch time in the front entrance for \$3 per slice.

The staff faces at Lockport School are all very familiar for the 23-24 school year. We do welcome Robyn Eidse as our new School Counsellor and Educational Assistants Denise Pochinko, Michelle Kalma, and Karen Murray.

Email addresses for all teaching staff are listed on our school website. Please do not hesitate to call or email if you have questions or concerns about any aspect of your child's education.

We look forward to working with you to ensure a productive year for all our students.
